

Event Staffing Inc. is now hiring for the upcoming festival and local event season!

As the company name reads, we are a staffing company that provides staffing for entertainment/sporting events within the Hampton Roads area. We also staff events and festivals up in the Western Regions of VA and in the states of Maryland, Michigan and Tennessee. This is a great way to earn money, gain insight to the behind the scene makings of events and festivals, see some of today's top performers of all genres and have a lot of fun!

Festival Info: Most of the festivals are long weekends or week long events; we provide transportation to and from the out of town festivals; meals are provided by the festivals (this is dependent upon your work schedule); lodging is a camping setup (you will need to bring your own camping supplies); there are two work shifts, days 8am-8pm and nights 8pm-8am; you will have access to the festivals and show in your off time.

Local Events: We staff a variety of day long, half day/night and overnight event shifts thru out Hampton Roads.

So.....are you ready to make some money and have a lot of fun?!
